

## BAG CLOSING THREAD

AAKASH THREADS

We manufacture and export premium quality bag closing thread in Polyester / PP with excellent tensile strength. These have high resistance to alkali, acid, salt, ultra violet radiation, heat & abrasion. Our bag closing thread does not deteriorate when exposed to normal climatic condition. Available in 100% High Tenacity Polyester Fiber, 100% Poly blend in different thickness.

### USAGE:

Commonly used for all brands of Bag Closing Machines (Stationary & Portable)

- Rice Mills
- Flour Mills
- Food Manufacturers/ Intermediates
- Sugar Industries
- Sewing of Agro-Products Industries
- Cement Industries
- Milk-Powder Industries
- Packaging Industries
- Cattle Feed Industries
- Paper Bag Manufacturers
- Fertilizer Industries
- Salt Processors
